

Web Decisionsheet

Paper or Plastic?

When you go to the grocery store, have you even thought about whether paper or plastic bags are the best decision?

1. Which is the best choice at the grocery store: paper or plastic? Why?
2. Your team will develop a poster sharing your finding and decision.

Roles	Goals
Paper Advocate	Explore the advantages of paper bags
Plastic Advocate	Explore the advantages of plastic bags
Recycling Pessimist	Explore drawbacks to recycling
Concerned Citizen	Explore reasons recycling is important

Choose your role. Use the space below for notes and illustrations.
