

The Pieces - Identifying Our Pieces

Topic & Essential Questions:

The diagram consists of four large rectangular puzzle pieces arranged in a 2x2 grid. Each piece has a black outline and a specific interlocking shape on its edges. The top-left piece has a tab on its right edge and a blank space for text. The top-right piece has a blank space for text and a tab on its bottom edge. The bottom-left piece has a blank space for text and a tab on its top edge. The bottom-right piece has a blank space for text and a tab on its top edge. The pieces are connected by their interlocking edges, forming a cohesive whole.
